As Seen In ... Books and Magazines

1 to 1 1/4 hours

Real quilts are such a joy to share. In this lecture, I show more than 60 real quilts I made over the years that have been published in books and magazines. I use the quilts as real examples to show how my designs reflect a variety of styles and techniques. As my life has changes, so has my approach to quilting. I love using traditional patterns and adding a new twist. After the lecture, the audience is encouraged to examine the quilts close-up and chat with me about my quilt designs.
