Construction

1. Lay out one strip each of pink stripe, pink tonal, pink floral, lime tonal, and lavender tonal as shown. Sew the strips together along their long edges to make a strip set. Press all of the seam allowances in one direction. Make a total of 5 strip sets. The strip sets should measure 9½" wide.

2. Cut these strip sets into 9½" segments to make 18 pink blocks.
3. Lay out one strip each of yellow tonal, blue stripe, purple floral, light blue tonal, and dark blue leaves as shown. Sew the strips together along their long edges to make a strip set. Press all of the seam allowances in one direction. Make a total of 6 strip sets. The strip sets should measure 9½" wide.

4. Cut these strip sets into 9½" segments to make 23 blue blocks.

5. Placing the blocks on-point, lay out the blocks starting with a row of 5 blue blocks. Lay out the pink blocks and remaining blue blocks to make blue zigzags and lavender zigzags as shown in the photo.
6. Working on the diagonal, sew the blocks into rows. Press the seam allowances in opposite directions from one row to the next. Sew the rows together and press the seam allowances in one direction.

7. Using a rotary cutter and long ruler, trim away the extra fabric at the edges of the quilt top. Align your ruler with the crossed seams on the corners of the blocks and trim, leaving a ¼" seam allowance beyond the crossed seams of the blocks.

8. Machine stitch around the quilt top about ⅛" from the outer edge to stabilize the seams, being careful not to stretch the pieces as you sew.
9. Layer the quilt top with batting and backing; baste. Quilt as desired. Bind the edges to finish. Add a label to the back of your quilt and enjoy!
